

PART-TIME THERAPIST— Military and Veteran Specialist

OVERVIEW:

Council for Relationships is seeking a licensed therapist (psychologist, LMFT, LCSW, LPC) who is passionate about working with military service members and their families to see clients through our Operation Home and Healing program.

Part-time therapists at Council for Relationships are W-2, fee-for-service employees. They are highly skilled clinicians who provide exceptional clinical care and complete all documentation and administrative duties. They are expected to maintain a minimum caseload of 5 clients but are welcome to see more than that. The position is flexible, and therapists can set their own schedules. Therapists report to their Office Director and the Chief Clinical Officer.

RESPONSIBILITIES:

- Conduct high-quality therapy in a manner that is ethical, in conformity with established professional standards, in compliance with HIPAA regulations, and accountable and accessible to peer review.
- Follow Council's policies and procedures.
- Utilize Council's practice management software system.
- Maintain the highest standards of professional practice, including completing client case files in a timely manner and respecting client confidentiality.
- Attend group clinical supervision.
- Attend monthly all staff meetings as schedule allows.
- Complete assessment measures (e.g., PHQ-9, PTGI, PCL, etc.) with clients on a consistent schedule.
- Meet monthly clinical productivity requirements.
- Maintain an updated profile on the Council website.
- Submit writing for Council internal and external communications/marketing pieces.

REQUIRED SKILLS, EDUCATION & EXPERIENCE:

- Masters or doctoral degree in marriage and family therapy/psychology/social work or related mental health field;
- Licensure in PA and/or NJ (Psychology, LMFT, LCSW, LPC) in good standing;
- Excellent clinical skills and abilities, with specific training in at least one of the following evidence based practices: Eye Movement Desensitization and Reprocessing (EMDR), Prolonged Exposure (PE), or Cognitive Processing Therapy (CPT);
- Passion for working with Military, Veterans, and their loved ones;
- Familiarity with assessment measures and eagerness to use them in clinical practice;
- Lived experience as a Military Service Member or Military-connected family member, or training in Military cultural competency;
- Good communication and interpersonal skills.

COMPENSATION:

The PT Military and Veteran Specialist Therapist is paid \$80-\$100 per therapy hour provided.
